Request Information for Event Hall

Our Large Event Center, The Community Center, holds between 160-185 comfortably depending upon table/chair configuration. Table and chairs are provided but must be set up and then put away before check out. There are twenty 5 foot round tables.

Our Small Event Center (The Family Center) holds up to 75 comfortably. Tables and chairs are already set up but you can reconfigure to meet your needs. Pool table cannot be moved. The tables and chairs must be returned to the original configuration before check out. There are ten 4 foot tables and one small high top table. Four chairs to each table, with additional chairs if needed.

You are welcome to have food catered or bring your own, but no cooking on site.

The Community Center has a warming kitchen with 2 full size refrigerators, a warming oven, 2 microwaves, and a large ice maker.

The Family Center has a small ice maker, a microwave, a dorm size refrigerator, and a dorm size freezer. It also has a blue tooth audio device.
