

THIS DECLARATION OF PROTECTIVE COVENANTS, made and published this 18th day of August, 1976 by Stansco, Inc., a corporation chartered under the laws of the State of Georgia and having its principal office in Fulton County, Georgia.

W I T N E S S E T H:

THAT, WHEREAS, said corporation is the owner of the subdivision known as Knollwood Village, and being a subdivision of all of those certain lots, tracts or parcels of land situate, lying and being in Douglas County, Georgia, and being more particularly described on Exhibit "A" attached hereto and incorporated herein by reference.

WHEREAS, it is to the interest, benefit and advantage of Stansco, Inc. and to each and every person who now owns or who shall hereafter purchase any lot in said subdivision that certain protective covenants governing and regulating the use and occupancy of the same be established, set forth and declared to be covenants running with the land;

NOW, THEREFORE, for and in consideration of the premises and of the benefits to be derived by Stansco, Inc., and each and every present and subsequent owner of any of the lots in said subdivision, said Stansco, Inc., does hereby set up, establish, promulgate and declare the following protective covenants to apply to all of said lots and to all persons owning said lots and to any of them, hereafter; these protective covenants shall become effective immediately and run with the land and shall be binding on all persons claiming under and through Stansco, Inc. until August 18, 1995, at which time said covenants may be extended or terminated in whole or in part as hereinafter provided, to-wit:

Section 1. Lot Area and Width. No dwelling shall be erected or placed on any lot having a width of less than eighty (80) feet at the minimum building setback line nor shall any dwelling be erected or placed on any lot having an area of less than 15,000 square feet.

Section 2. Land Use and Building Type. No lot shall be used except for single-family residential purposes and no other use, including but not limited to day nurseries and beauty salons, shall be permitted. No building shall be erected, altered, placed or permitted to remain on any Lot other than one detached single-family dwelling not to exceed two and one-half stories in height and a private garage for not more than two cars.

Section 3. Dwelling Size. Dwellings erected on any lot shall have not less than 1350 square feet of heated floor space, exclusive of any space in carports, porches, patios, unfinished basements and attics.

Section 4. Approval of Building Plan. No building shall be erected, placed, altered, or permitted to remain on said land until the building plans, elevations, specifications of interior finishes, and specifications of construction methods, with plot plans showing the location of such buildings, have been approved in writing by the Architectural Control Committee, as to conformity and harmony of external finishes, colors, design, and general quality with the existing standards of the neighborhood, and as to the location of the building with respect to topography and finished ground elevations, and as to the planned removal, relocation or replacement of any existing trees having a trunk diameter in excess of six inches, which approval shall be within the sole discretion of the Architectural Control Committee.

BOOK 0297 PAGE 240

BOOK 0295 PAGE 531

Section 5. Building Location. No building shall be located on any Lot nearer to the front lot line or nearer to the side street line than the minimum building setback lines shown on the recorded plat. In any event no building shall be located on any Lot nearer than 25 feet to the front lot line, or nearer than 10 feet to an interior lot line. No dwelling shall be located on an interior lot nearer than 10 feet to the rear lot line. For the purposes of this covenant, caves, steps, carports and open porches shall not be considered as a part of a building; provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot.

Section 6. Exposed Building Material. Whenever buildings erected on any lot or parcel are constructed in whole or in part of concrete blocks, cinder blocks, or other fabricated masonry block units, such blocks shall be veneered with brick or natural stone, stucco, or other material approved by Rutenberg-Gibson Corporation, over the entire surface exposed above finish grade. If poured solid concrete foundations are used, the exposed concrete may be covered with paint only.

Section 7. Occupancy. Before any house or unit may be occupied, it must be completely finished on the exterior in accordance with the approved plans; all of the yard which is visible from any street must be planted with grass or have other suitable ground cover; and the driveway surface must be paved.

Section 8. Temporary Structures. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other outbuilding shall be used on any lot any any time as a residence, either temporarily or permanently.

BOOK 0297 PAGE 241

BOOK 0295 PAGE 532

Section 9. ditions and Other Struc res. No addition or alterations to existing structures shall be made until plans for said additions and alterations have been approved in writing by the Architectural Control Committee as to conformity of Section 4. No detached additions or structures, including but not limited to outdoor storage units, shall be allowed on any lot at any time.

Section 10. Maintenance of Lots. The grounds of each lot (whether vacant or occupied) shall be maintained in a neat and attractive condition. Upon the failure of any owner to maintain his lot (whether vacant or occupied) in a neat and attractive condition, Stansco, Inc. or its authorized agents may, after ten (10) days written notice to such owner, enter upon such lot and have the grass, woods and other vegetation cut when, and as often as, the same is necessary in its judgment, and may have dead trees, shrubs, and other plants removed therefrom. Such owner shall be personally liable to Stansco, Inc., for the cost of any cutting, clearing and maintenance described above and the liability for the amounts expended for such cutting, clearing and maintenance shall be a permanent charge and lien upon such lot, enforceable by Stansco, Inc., by an appropriate proceeding at law or in equity. All costs incurred by Stansco, Inc., on behalf of such owner shall be reasonable. Although notice given as hereinabove provided shall be sufficient to give Stansco, Inc., or its designated agents the right to enter upon any such lot and perform the work required, entry for the purpose of performing the work required shall be only between the hours of 7:00 A.M. and 6:00 P.M. and on any day except Sunday.

BOOK 0297 PAGE 211

BOOK 0295 PAGE 533

Section 11. Sight Distance at Intersections. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between 2 and 6 feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property line and a line connecting them at points 25 feet from the intersection of the street lines, or in the case of a rounded property corner from the intersection of the street property lines extended. The same sight-line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless foliage line is maintained at sufficient height to prevent obstruction of sight lines.

Section 12. Fences. No fence or wall shall be erected, placed, or altered on any lot nearer to any street than the minimum building setback line. No fence shall be erected on any lot without the prior written approval of the Architectural Control Committee.

Section 13. Signs. No advertising poster, billboards, signs, or any other types or kinds of high and unsightly structures shall be erected on any lot or displayed to the public on any lot, unless the prior written permission of the Architectural Control Committee has been obtained, except for one sign of not more than five square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period. The Architectural Control Committee shall be authorized to withhold its approval or consent until being furnished information as to the size, style and color of any proposed sign. Anyone violating this covenant shall be liable for liquidated damages in the stipulated amount of \$50.00 for each day during which such violation exists. The recovery of such damages shall be available to the undersigned or after the development is completed to any owner of

lots or parcels subject to these covenants, except that the violator shall not be required to pay damages to more than one plaintiff or complainant. The provision for damages herein shall not be construed to exclude the seeking of equitable relief for any violations hereunder.

Section 14. Storage. No junk or hobby cars, trucks and other vehicles or boats, boat trailers, trailers, campers and other recreational vehicles shall be stored on any lot at any time for any reason including extensive repair work, overhauls, and other mechanical work, except in an enclosed garage.

Section 15. Garbage and Refuse Disposal. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage, or other waste shall not be kept except in sanitary containers. Garbage containers or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition, and shall not be visible from any street except to the extent that placement in a visible location may be required by local collection regulations.

Section 16. Sewage Disposal. No individual sewage-disposal system shall be permitted on any lot except for temporary facilities for construction and development field offices. Any such system must be designed, located, and constructed in accordance with the requirements, standards and recommendations of the Georgia Department of Public Health. Approval of such system as installed shall be obtained from such authority.

Section 17. Utility and Drainage Easements. Easements are reserved to Stansco, its successors or assigns, for installation and maintenance of utilities, drainage facilities, storm sewers, and sanitary sewers over the rear ten feet of each parcel

or lot and five feet wide along each side line with a further easement reserved to cut or fill at a 3-in-1 slope in accordance with the engineering plans along the boundaries of all public streets or roads built on said property. Drainage flow shall not be obstructed nor be diverted from drainage swales, storm sewers, and/or utility easements as designated herein, or as may hereafter appear on any plat of record in which reference is made to these covenants. Where there are underground electric and telephone systems, the builder is requested to give notification prior to construction to the individual utility companies in order that the most efficient and appropriate route for the cable between the road and the house can be ascertained.

Section 18. Livestock and Poultry. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purposes.

Section 19. Nuisances. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

Section 20. Bicycle and Pedestrian Paths. Bicycle and pedestrian paths within the property are to be used only for pedestrian and bicycle purposes, and no other purpose, and under no circumstances shall said paths be traveled by any motorized vehicles or horses.

Section 21. Wildlife Preservation. Hunting and trapping of wild animals, fowl, and game and the discharge of firearms, bows and arrows within the property for any purpose is prohibited and shall not be allowed.

BOOK 0297

BOOK 0295

Section 22. Air Conditioning Units. No window air conditioning units may face any street without prior approval of the Architectural Control Committee.

Section 23. Lake. No resident of the development, nor any guest or visitor to said property, shall be permitted access to or use of the 18 acre lake located on said property generally known as the City Reservoir. In addition, no person shall undertake any activity which would directly or indirectly create any change in the existing shoreline, cause a deposit or emission of any foreign matter of material into said lake or in any manner pollute or decrease the purity of said lake. Anyone violating this covenant shall be liable for liquidated damages in the stipulated amount of \$50.00 for each violation, provided, however, that in the event of any action resulting in substantial economic loss, the injured party may maintain an action to recover the amount of damages actually sustained. The recovery of any actual or liquidated damages shall be available to the undersigned or after development to any owner of lots or parcels subject to these covenants provided, however, that any person violating these covenants shall not be required to pay damages to more than one plaintiff in the event of a single violation. The provision for damages herein shall not be construed to exclude the seeking of equitable relief for any violations hereunder.

Section 24. Architectural Control Committee:

a. Membership. The architectural control committee is composed of:

William T. Reeves - Stansco, Inc.
William C. Weeks - Rutenberg-Gibson Corporation
John T. Gibson - Rutenberg-Gibson Corporation

A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the

BOOK 0297

BOOK 0295

Committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. After all of the lots have been fully developed, permanent improvements constructed thereon, and sold to permanent residents, the then record owners of a majority of the lots shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties.

b. Procedure. The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee, or its designated representative, fails to approve or disapprove within 30 days after the plans and specifications have been submitted to it, or any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

Section 25. Governmental Regulations. All governmental building codes, health regulations zoning restrictions and the like applicable to the property now or hereafter made subject to this Declaration shall be observed. In the event of any conflict between any provision of any such governmental code, regulation or restriction and any provision of this Declaration, the more restrictive provision shall apply.

Section 26. Term. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty years from the date these covenants were recorded, after which time said covenants shall be automatically extended for successive periods of 10

...ars unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

Section 27. Enforcement. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

Section 28. Breach and Waiver. The failure of Stansco, or the Architectural Control Committee to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, provisions or agreements herein contained shall not be construed as a waiver or a relinquishment in the future of the enforcement of any such term, covenant, condition, provision, or agreement. The acceptance of performance of anything required to be performed with knowledge of the breach of a term, covenant, condition, provision, or agreement shall not be deemed a waiver of such breach, and no waiver by Stansco or the Architectural Control Committee of any term, covenant, condition, provision, or agreement shall be deemed to have been made unless expressed in writing and signed by Stansco or the Architectural Control Committee.

Section 29. Severability. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

AMENDMENT TO PROTECTIVE COVENANTS

WHEREAS, Stansco, Inc., filed a Declaration of Covenants and Restrictions for Arbor Station dated May 7, 1976, recorded in Deed Book 291, Page 502, Douglas County Records; and

WHEREAS, Stansco, Inc., subsequently filed that certain Declaration of Protective Covenants for Knollwood Village, recorded in Deed Book 295, Page 530 and re-recorded in Deed Book 297, Page 239, Douglas County Records; and

WHEREAS, the aforesaid Declaration of Protective Covenants for Knollwood Village contained certain provisions in Section 10 thereof entitled "Maintenance of Lots", some of which provisions were contrary to the provisions contained in the Declaration of Covenants and Restrictions for Arbor Station pertaining to the same subject matter; and

WHEREFORE, Stansco, Inc., did not intend the Declaration of Protective Covenants for Knollwood Village to contain provisions contrary to the Declaration of Covenants and Restrictions for Arbor Station, but rather intended them to be complementary to the Declaration of Covenants and Restrictions for Arbor Station; and

WHEREAS, Stansco, Inc., is desirous of amending the Declaration of Protective Covenants for Knollwood Village in order to evidence the aforesaid intent.

NOW THEREFORE, Stansco, Inc., hereby strikes in its entirety Section 10 of the Declaration of Protective Covenants for Knollwood Village recorded in Deed Book 295, Page 530, and re-recorded in Deed Book 297, Page 239, Douglas County Records, and substitutes in lieu thereof the following Section 10.

"Section 10. Maintenance of Lots. Lots shall be maintained in accordance with Article VII, Section 2, of the Declaration of Covenants and Restrictions for Arbor Station, recorded in Deed Book 291, Page 502, Douglas County Records, and any assessment levied in connection therewith which shall become a lien on the property shall be governed in accordance with Article V of the aforesaid Declaration of Covenants and Restrictions for Arbor Station."
